

**Prof. Dr. Joachim Luther**  
Singapore City, Singapore

*Current functions*

- CEO of the “Solar Energy Research Institute of Singapore” (SEIRS)
- Professor Emeritus for “solid state physics and solar energy” at the University of Freiburg
- Active member of the “Freiburg Materials Research Centre (FMF)”

*Former functions*

- Director of the Fraunhofer Institute for Solar Energy Systems (ISE) in Freiburg (1993-2006)

*Fields of interest*

- R&D: solar cells, solar and energy efficiency buildings, energy systems, materials for optics and thermal systems and micro-energy technology
